Southern Baptist Membership Verification Form

BOYCE
COLLEGE

The purpose of The Southern Baptist Theological Seminary (SBTS) is to train, educate and prepare ministers of the gospel for more faithful service. SBTS is an institution of the Southern Baptist Convention (SBC) that is supported by the Cooperative Program (CP), a giving strategy for contribution and distribution. CP funds support the denominational task of preparing biblically trained Southern Baptist ministers, subsidizing approximately half the tuition of Southern Baptist students. **Students transferring membership from a non-SBC church to a Southern Baptist church, seeking to obtain the SBC tuition rate, must complete this form with the requisite signature from their pastor.**
