## NON-EXCLUSIVE DISTRIBUTION LICENSE and DISSERTATION/THESIS AVAILABILITY AGREEMENT

By signing and submitting this license “the author” grants to the Boyce Digital Library at the Southern Baptist Theological Seminary (SBTS) the non-exclusive right to reproduce and distribute your submission in electronic format via the World Wide Web, as well as the right to migrate or convert your submission, without alteration of the content, to any medium or format for the purpose of preservation and/or continued distribution.

SBTS acknowledges that this is a non-exclusive license; any copyrights in the submission remain with the author or other copyright holder and subsequent uses of the submitted material by that person(s) are not restricted by this license.

The author agrees that SBTS may keep more than one copy of this submission for purposes of security, backup and preservation.

The author represents that the submission covered by this license is his/her original work and that he/she has the right to grant this license to the Boyce Digital Library at SBTS. The author further represents that the submission does not, to the best of his/her knowledge, infringe upon any third-party’s copyright. If the submission contains material for which the author does not hold copyright, the author represents that he/she has obtained the unrestricted permission of the copyright holder to grant this license to the Boyce Digital Library, and that such third-party material is clearly identified and acknowledged within the text or content of the submission. In the event of a subsequent dispute over the copyrights to material contained in this submission, the author agrees to indemnify and hold harmless SBTS and its employees or agents for any uses of the material authorized by this license.

If this submission is based upon work that has been sponsored or supported by any agency or organization other than SBTS, the author represents that he/she has fulfilled any right of review or other obligation required by contract or agreement with the supporting entity.

The Boyce Digital Library will take all reasonable steps to ensure that the author’s name remains clearly associated with the submission and that no alterations of the content are made.
