Wednesday morning classes for the first year of the current schedule are marked with an *. A minimum number of students must commit to take the course for it to be offered. Students may take both the Wednesday morning class and a Thursday night class simultaneously, if desired. Limited childcare will be available for AM classes as well as PM classes.

We suggest you attempt to plan your course selection for the next three years so you will be sure to complete the required courses and be able to choose your electives accordingly. The schedule is subject to change as new courses are added but we do our best not to move required classes.
