

LaundryView® 101

See which machines are available before you step foot in the laundry room.

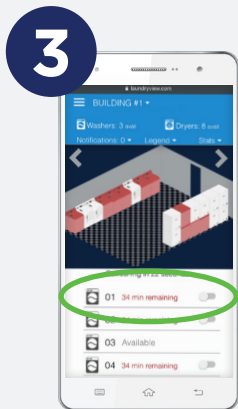

What can I do with LaundryView®:

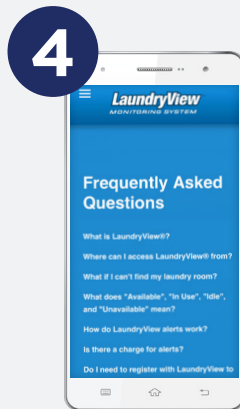

SET TEXT OR EMAIL ALERTS.

REPORT SERVICE ISSUES.

VIEW CYCLE TIME REMAINING.

ACCESS FAQs ABOUT LAUNDRY.

Let's start doing your laundry:

- 1** **Open** www.laundryview.com in your web browser to view available machines before heading to the laundry room.
- 2** **Add** two tablespoons of HE detergent or toss one laundry pod in the washtub.
- 3** **Empty** pockets and add clothing in the machine.
- 4** **Select** cycle on the machine.
- 5** **Insert** payment, if applicable.
- 6** **Select** *Start* on the machine.
- 7** **Visit** www.laundryview.com
- 8** **Set** a text message alert by sliding the button over on a busy machine.
