

Personal Device Policy

Our assistance with Personal Computers are as follows.

- We will assist with any technology issues on a personal device pertaining to a Southern Related account or Software.
- We will assist with issues pertaining to Wifi problems with your device, unless the problem is the device itself.
- We will, time permitting, look at your personal computer to help diagnose where an issue might be to steer you in the right direction.
- We will **not** fix any physical problems with personal computers.
- We do **not** sell used devices, unless a benefit to your employment at SBTS.

**For any follow up questions, please email
campustechnology@sbts.edu**
