

Student Support Policy

Students, below is a list of technical issues we will support

- We support any account given to you through Southern Seminary. This includes, My.sbts.edu, Canvas, student email, and your Office 365 Account if you have [signed up](#) for one
- We support any necessary special classroom needs you may have.
- We support wireless internet on campus, which can be accessed through SBTS_OpenWifi
- We do try and serve students by helping them with personal devices, however only if fitting certain criteria. Please refer to the Personal Computer Support Policy
